

Newsletter - February 2017

Termoventiler at ISH in Frankfurt.

We are participating at the ISH
Exhibition in Frankfurt am Main,
March 14-18 2017.
You will find us in Hall 9.1,
Stand D10.

Thermomatic 4H - Distribution groups for one family homes and bigger premises.

Thermomatic 4H is our series of distribution groups which are quick and easy to install and gives you a neat installation. The groups are optimized to meet the system's energy needs, thanks to the available actuator options.

Always delivered complete to guarantee a reliable installation. [Read more](#)
