### - Two big events - Nordbygg in Stockholm and IFH in Nuremberg

---

Come and visit Termoventiler and Debe Flow Group,  
in our stand on Nordbygg the 10-13 of april 2018.  
At the same time you will find us on IFH Intherm.  
A great place for us to meet both new and old costumers.

#### IFH Intherm

We are participating at the IFH  
Exhibition in Nuremberg, Germany.  
You will find us in our stand:

#### Faster tank charging

Laddomat 11-30 Duo ensures that you get  
more hot water in your tank faster. This  
solution is especially suitable for smaller  
systems and stoves.
